

RUBBER SCRAPER

FEATURES & BENEFITS

- Heavy duty rubber blade
- Simple and efficient
- Each ends of the scraper blade can be adjusted forwards

The MultiOne rubber scraper is ideal for cleaning smooth surfaces in farm buildings and yards, improving hygiene and footing. It is also a easy and economical way to push uneaten silage back to the cattle on the feeding table.

The side ends can be tilted 30° forward to facilitate the movement of the material. Once worn out, the rubber blade can be disassembled and reassembled backwards or replaced.

Model	Width	Rubber Height	Weight	Code
