

SPRAYER

FEATURES & BENEFITS

- Fast application for large areas
- Flow and pressure adjustable
- Foldable spray bar
- Equipped with a hand held spray wand with a 50 m (165 ft) hose

The hydraulically powered MultiOne sprayer is the proper attachment for the fast and efficient application of landscaping chemicals. **NOTE: MultiOne recommends that the operator wear the appropriate personal protection equipment when handling and applying landscaping chemicals.**

The foldable 4,5 m (14.75 ft) wide spray bar, combined with the 120 l (31.7 US gal) tank allow for fast coverage of large areas. Spray nozzles are replaceable and adjustable to assure the proper material application, making this system ideal for landscape and grass area maintenance.

This unit comes standard with a 50 m (165 ft) hose reel with an application wand and nozzle. It is also possible to reach the most inaccessible places, such as the tree tops. System pressure and flow are adjustable to meet application requirements. There are an filter and a small separate water tank with a tap useful to wash the hands.

Model	Capacity*	Max Pressure	Spraying Bar Width - Opened	Spraying Bar Width - Closed	Hose reel	Weight	Code
Sprayer	120 l (31.7 gal)	40 bar	450 cm (177.2 in)	150 cm (59 in)	50 m (164 ft)	65 kg (144 lbs)	C890740
