

VINEYARD SPRAYER

<http://tiny.cc/vineyardsprayer>

FEATURES & BENEFITS

- High pressure, hydraulically powered pump
- Polyethylene tank
- Clean water tank for hand washing
- Equipped with a hand held spray wand with a 50 m (165 ft) hose

The Vineyard Sprayer is a versatile attachment suitable for vineyard spraying, weed-killing in open-field growing, inter-row weed-killing.

The spray bars can be rotated and adjusted in height. The nozzles are specifically designed to spray efficiently and without product waste. The high capacity tank is equipped with a level indicator and allows long work sessions without the need to stop for refueling. The pressure is adjustable; there is an anti-clogging filter and a small separate water tank, equipped with a tap, useful for washing hands.

Note: MultiOne recommends that the operator wears the appropriate personal protection equipment while handling and applying landscaping chemicals.

Model	Tank Capacity*	Nozzles	Max Pressure	Weight	Code
Vineyard Sprayer	200 l (52.8 gal)	4+4	40 bar	90 kg (198 lbs)	C890741

(* verify the lifting capacity of the machine)
