

FEED AND MANURE SCRAPER

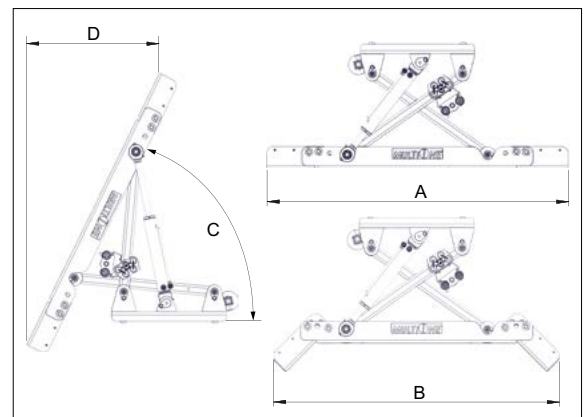

<http://tiny.cc/rubberscraper>

FEATURES & BENEFITS

- **Two models:** 150 ⁽¹⁾ with hydraulic tilt, 200 ⁽²⁾ fixed
- **Heavy duty rubber blade**
- **Each ends of the scraper blade can be adjusted forwards**
- **Available side extensions only for 150 model.**

The MultiOne scraper is ideal for cleaning smooth surfaces in farm buildings and yards, improving hygiene and footing. It is also a easy and economical way to push uneaten silage back to the cattle on the feeding table.

The side ends can be tilted 30° forward to facilitate the movement of the material. Once worn out, the rubber blade can be disassembled and replaced or reassembled backwards (only mod. 200).

Dimensions (cm/in)				
	A	B	C	D
Mod. 150	150/59	129/51	±64°	65/25.6
